At North Newton Community Primary School, children have a sense of belonging in a supportive, happy environment, where their range of talents will be nurtured, enabling them to flourish and achieve excellence. Every child is valued as a unique person and can develop their sense of discovery, expectation and wonder.

This enables us to be compassionate and responsible members of our community and make positive contributions to society.

(End of each term – parents are invited to a Celebration Assembly)

Assemblies will take place in Badgers Class for Whole school Assemblies. Weekly we will have an assembly from the Church (Rev. Dean or Lorna). We may be having open the book starting after half term.
