September 2 2026

It has been wonderful to see all of the children working extremely hard on their new curriculum topics this term. When walking around school, it has been lovely to hear children asking in-depth questions about their areas of learning and showing real curiosity about the world around them. This enthusiasm for learning is something to be celebrated, and we are very proud of the way our pupils are engaging so positively with their lessons.

I am sorry to have to raise this point about parking, but we do need to remind families that drop-off and pick-up times can be particularly challenging around school. To help keep all of our children safe, please do not park on the yellow zigzag lines outside school, and please do not double park in front of vehicles in the village hall car park. I am sure you will agree that keeping our children safe is paramount, and we would be very grateful for your support in making sure these areas remain clear and accessible at all times. In addition, please do not park in the pub car park at drop-off or pick-up time, as this takes up spaces for customers. The pub landlord has also asked that we continue to be considerate of this space, as he does not wish to have to put gates up around the area.

Finally, please take some time to visit our school website to see more about the learning covered this term, and to add the exciting dates for upcoming events to your diary. We have lots to look forward to, and we appreciate your continued support in helping make our school such a positive and safe place for all.

We are a Nut/Pineapple free school.

Since returning to school after the holidays, we have noticed items of food in lunch boxes and snack pots are containing nuts and pineapple. Please check ingredients carefully to avoid our children being unwell!

Since returning after the summer holidays, we've already collected a number of **lost jumpers and cardigans** waiting to be reunited with their owners.

A big thank you to parents who are naming clothing. Unfortunately, many items are either **unnamed** or still **have the name of a child who has left**, making them difficult to return.

Please remember to **clearly label all your child's clothing with their name**. A simple name label makes all the difference and helps us avoid those *"My child has lost another jumper!"* emails and phone calls!

Thank you for your support! 🧡

Could you tell if your child was being **exploited** **online?**

Join one of our free online sessions led by Child Exploitation Prevention Officer **Andri Nicolaou**

29 September 19:00 - 20:30pm **06 October** 13:00 - 14:30pm

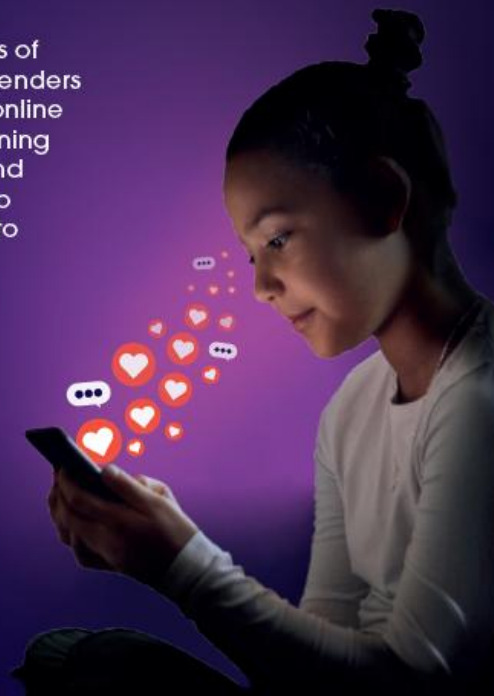

Learn about the different forms of child exploitation and how offenders groom/exploit children both online and offline. We'll highlight warning signs a child may be at risk and practical steps you can take to keep them safe and respond to any concerns.
