"Together We Achieve"

April 2024

Hello from the Head,

Welcome back to our summer term of events! I hope you all had an amazing Easter holiday and enjoyed some time together as a family. It has been wonderful to hear what the children have been getting up to! Thank you to all the parents who came in for the parent meetings last week, it was lovely to be able to share all our children's learning. You should have received your child's curriculum map which shows their learning for this term. We hope you find these helpful, both to know what your children will be doing this half term but also how you can support at home.

Miss Edwards and Mr Hughes have been working hard to organise our active playtime and lunch time activities. It has been great to see our children really engaging in these games. Hopefully we are due to have some better weather, in the meantime, please can you make sure your child has a waterproof coat and a drinks bottle in school. When we do eventually get some warmer days, please make sure your child is wearing sunscreen as we want your children to have as much outdoor playtime time as possible.

We will be soon celebrating your child's participation in our whole school song recording with Action Track Studios. Dates to be confirmed. I hope you have a lovely weekend –

Best wishes

Mrs Leach

We had amazing news today! The Senior Prefects at Robert Blake were announced yesterday, and I have the pleasure in telling you that 4 of our ex-North Newton pupils have achieved roles.

Congratulations to Sophie Bult – Head Girl, Brandon Burton – Head Boy, Olivia Contreas – Deputy Head Girl, Lola Whatley – Senior Prefect.

These 4 students were from a cohort of 12 who left us July 2020, during Covid. This is a fantastic testament to our school and the parents, and even from small beginnings you can achieve great things.
